JETTER 357 GAMING MOUSE

Squeeze the most out of your gaming experience with Jetter 357 – our lightweight and ergonomic gaming mouse. Thirty million clicks durability and our gaming-grade Pixart sensor with up to 8000 DPI will make your sessions seamless.

With 6 programmable buttons, you can create custom combinations while the Key Balance system makes every click count. Jetter 357 enhanced RGB system of backlight and 6 modes of backlight effects let you customize the way your mouse looks to match your gaming rig.

Discover your performance with Lorgar WP Gameware: view mouse speed, distance range, total clicks, and more. On top of that, you'll find two gifts in the bundle: a branded keychain and two fidgeters.

Jetter 357 is everything a gaming mouse must be.

Key balance system

Ergonomic design

Gaming-grade optical sensor

True RGB backlight

100% PTFE mouse feet

ERGONOMIC DESIGN, LIGHTWEIGHT

Ergonomic and lightweight – only 75 grams, this gaming mouse feels comfortable regardless of the hand size and grip.

6 PROGRAMMABLE BUTTONS

With 6 durable (30M clicks) and programmable buttons, you can set your mouse up for different game scenarios, no matter the genre. The KBS feature provides a single level of click resistance wherever you click both buttons.

PTFE FEET

Specially developed feet material provides smooth and precise gliding even with long-term use.

ENHANCED RGB SYSTEM OF BACKLIGHT

Control the backlight using one of the 4 modes or choose a color to match your gaming setup.

GAMING-GRADE PIXART SENSOR

High-performing optical Pixart sensor provides reliable performance even at high DPI parameters. Compatible with all types of gaming surfaces.

LOGGAR WP GAMEWARE

Our original Loggar WP Gameware lets you access advanced settings and customization, from mouse backlight to macros logging.

DISCOVER YOUR PERFORMANCE

With Lorgar WP Gameware, you can explore personal activity stats. The number of clicks, game speed, mouse range, and even more is available in the original Lorgar WP Gameware module.

GIFTS

You'll find a unique gift bundle in each mouse set – two fidgeters and a branded keychain attached to the box. Don't forget to take it out before throwing the box away.
