**BUILT-IN
Power Paddle**

Twist

Introducing the POWER NUTRI™ BOWL

It's never been easier to create thick and spoonable smoothie bowls, nut butters and more. All you have to do is twist the Power Paddle while blending to push ingredients down towards the blade. It's like having a built-in tamper.

Smart
TORQUE[™]

Designed for thick mixtures with less liquid. The motor maintains high speed performance with no stalling and no need to stir or shake.

NO STALLING

NO STIRRING

NO SHAKING

Control the speed & texture of every blend with
TOTAL SPEED CONTROL

Power Nutri[™] Bowl

for **thicker** textures

For a thicker texture. Select **POWERMIX** to whip up delicious dips, pâté, nut butters and smooth spreads. **MIX** creates revitalizing smoothie bowls and frozen yoghurt. No need to scrape or shake with the built in Power Paddle.

Power Nutri[™] Cup

for **drinks and dressings**

Designed for drinks and dressings with a lighter texture. Select **BLEND** to create silky smoothies and drinks. Power up with **CRUSH** to blitz nuts, seeds and ice to a super-smooth finish.
