

# THANA02B

## THANA Notebook Cooling Pad, Fits up to 17", 2-Fan

A powerful cooling pad with a range of useful features for keeping notebooks safe and comfortable. USB powered so it doesn't require a power socket, the cooling pad features 2 fans and a power switch to control and maintain the optimum temperature, ensuring low power consumption via your laptop's USB port. The pad features two USB ports, one for connecting to a device to power the cooling pad, and one extra port. The cooling pad features an anti-slip design to make sure the device remains centrally located on the pad. This is a powerful and versatile cooling pad to enhance any mobile workstation.
