

WiFi Smart IP Camera | Pan/Tilt | Full HD 1080p | Outdoor | Waterproof

General information

Home automation just got simpler. This easy to use Smart Outdoor IP Camera can be simply connected to your existing Wi-Fi network to monitor the outside areas of your house and record any sound or motion.

Full HD Resolution

It records in Full HD resolution (1920x1080 pixels) for complete clarity of the images captured. In addition, the camera is just as powerful at night: with its night vision mode offering a range of 15.0 m.

Waterproof

Fully contained in an ultra-resilient waterproof housing, this IP camera has a generous internal memory of 16 GB.

Crystal-clear

Recording Full HD videos and images at 1920x1080 pixels by its 1/3" CMOS sensor for a crystal-clear resolution, the camera is triggered when sounds or motion are detected.

Two-way communication

It is possible to communicate via the camera as two-way speaking and listening is enabled – meaning it can be used in a similar way to a telephone when people are in range.

Easy set up

A camera mount is supplied with the unit and its quick start guide ensures you can have it installed in no time at all.

About Nedis® SmartLife

Discover a wide and ever-expanding range of products - such as bulbs, switches, sockets, sensors, and cameras - that can all be controlled through an easy-to-use and intuitive app.

Whether you're looking for a single smart bulb or socket, or you want to automate your entire house, discover how accessible smart technology is today.
