Highlights

Powerful, bright white light

The High Lumen bulb provides a powerful white light that is bright enough to fully illuminate the kitchen, garage or any other room where you need functional lighting. With 1600 lumen output of brilliant light, it's no surprise that it's Philips Hue's brightest bulb.

Control up to 10 lights with the Bluetooth app

Philips Hue with Bluetooth is the easiest way to get started with smart lighting. Set the mood instantly with Bluetooth-enabled LED bulbs and the Hue Bluetooth app, which allows you to control up to 10 lights in a room.

Control lights with your voice*

Activate hands-free help in any room with Bluetooth voice-activated smart lights. Simply pair your Hue lights with any compatible Amazon Echo or Google Home device to enjoy the convenience of managing your smart lights with just your voice.

Set the right mood with soft white light

Enjoy the perfect shade of warm white light to complement any decor and to help you in your daily tasks. Completely dimmable, Hue White smart lighting is the perfect stepping stone to setting the right mood in your home (high lumen)

Unlock full suite of smart light features with Hue Bridge

Add a Hue Bridge to your Bluetooth-controlled set-up to make your smart lighting system even smarter.* With the Hue Bridge, you can add up to 50 lights – including your existing Bluetooth-capable lights – and smart accessories throughout your entire home, as well as tap into upgraded features such as away-from-home control.
