ADLER EUROPE GROUP, a company with 26 years of tradition, has three brands: ADLER, CAMRY and MESKO.

We manufacture and distribute high-quality household appliances with unique design.

For home, kitchen, bathroom, personal care, electronics and medical equipment, we offer over 750 models.

Excellent quality, modern design and attractive colors make our products one of the kind.

All products have required certificates to ensure the safety of users.

We care about our clients – dependability and flexibility are strengths that helped ADLER EUROPE GROUP win regular customers in over 35 countries around the world.

Attractive payment terms and fast delivery allow us to offer great quality at a reasonable price.
