ALL-AROUND
TOUGH

Rugged Drive For All-Terrain Reliability

The Armor A66 is the ultimate all-terrain drive to back-up and protect your data from out in the wild to back in the office, safely and securely. With its all-around protective rubber bumper, IPX4-level water-resistance, and military-grade shockproof design, this portable hard drive is ready to shake-off drops, shocks, rain, and dust with ease.

IPX4

Fast And Spacious With USB 3.2 Gen 1

Up to 5TB of storage gives you a massive amount of portable space to back up your photos, video footage, and files wherever your adventures lead. Super-speed USB 3.2 Gen 1 interface delivers rapid read and write speeds up to 5Gbps to cut the time needed for editing or transferring large files and get the job done faster.

UP TO 5TB

5 Speeds Gbps

Portable Hard Drive
Armor A66

IPX4 SPLASH PROOF

1.22m SHOCK PROOF

Features

· Super-speed data transfer with USB 3.2 Gen 1 interface (up to 5Gbps)
· Massive storage capacities available in two different sizes to cater to various needs (1TB/2TB and 4TB/5TB)
· Military-grade shockproof drive (meets the MIL-STD 810G Method 516.6 Procedure IV drop test)*
· Advanced internal anti-collision suspension system structure effectively reduces impact force and strengthens overall shock-absorption
· IPX4 water-resistance protects the drive against splashing water from any direction
· All-around rubber bumper provides 360° protection for the drive to take it anywhere, worry-free
· Smart wrap-around cable design prevents cable misplacement
· LED light indicates data transfer activity and power status
· Convenient plug-and-play eliminates the need for external power
· Free SP Widget software available for download, which provides 7 major back-up and security functions

* The transit drop test is to perform 26 drops on each face, edge, and corner from a height of 122cm above the floor. The drops could be divided among no more than 5 test items.

Specifications

· Capacity: 1TB, 2TB, 4TB, 5TB
· Dimensions: 139.2mm x 96.0mm x 16.2mm (1TB/2TB),
            139.2mm x 96.0mm x 24.0mm (4TB/5TB)
· Weight: 209g (1TB/2TB), 328g (4TB/5TB)
· Material: Rubber + Plastic
· Color: Black/Black, Black/Blue, Black/Yellow
· Interface: USB 3.2 Gen 1
          (USB 3.0, USB 2.0 backwards-compatible)
· OS Compatibility: Windows 10/8.1/8/7/Vista/XP 64-Bit,
                  Mac OS 10.5.x, Linux 2.6.x
· Operating Temperature: 5°C - 55°C
· Storage Temperature: -40°C - 70°C
· Operation Voltage: DC 5V
· Certification: CE, FCC, BSMI, Green dot, WEEE, RoHS, KC, RCM
· Warranty: 3 years
