Shockproof and Water-Resistant

With its ultra-robust rubber casing and internal suspension system, the A60 is the perfect guardian for all your data. It's 3m military-grade shockproof and IPX4 water-resistant, so that falls, drops, or sprays of water are nothing to worry about while making exciting memories.

Cable-Carry Convenience

Wherever your data needs attention, the cable will always be right there. Thanks to the A60's clever design, the cable can be attached to its case for easy storage and transport.
