

WILDDUB 3

15" DOUBLE WOOFER SPEAKER

GIFTBOX: 8435430620139

PVP: 399 €

DESCRIPTION

- Full Bluetooth-compatible DJ music system, 1200W of power and excellent sound quality.
- Thanks to its wheels it's easy to transport and move around.
- Equipped with Micro SD, USB, AUX IN audio inputs and compatible with True Wireless Stereo Bluetooth technology, which allows you to wirelessly connect two sound devices of the WILDDUB family.
- It also has audio output, which lets you connect several devices in series via cable.
- This system turns anywhere into a nightclub and is fabulous for parties.
