

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

KEY FEATURES:

- Even water dosing
- Dry sweeping or wet mopping
 - Large water tank of 350 ml
- Electronically controlled mopping
 - Large mopping cloth
 - Tuya app
 - Battery 2550 mAh
- Suction power 2800 Pa
 - Noise level 73 dB
- 22,000 rpm brushless motor

Tuya app

EXVAC660 T + is a well-known Mamibot model in a new version with a new **Tuya app**.

Elegant design combined with high performance

Electronically controlled wet mopping, APP fast mapping system, longer cleaning time and shorter charging time.

WiFi in cloud

Automatic charging

Mapping

Battery 2550 mAh

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

Adjustable suction power

Noise level 73 dB

Planning

Brushless motor

Intelligent wet mopping system

A specially designed, electronically controlled wet mopping system ensures that floors are cleaned without stains or water leakages.

Thorough cleaning

The Mamibot EXVAC660 T + sweeps and mops the floor better than expected, giving you more time to rest.

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

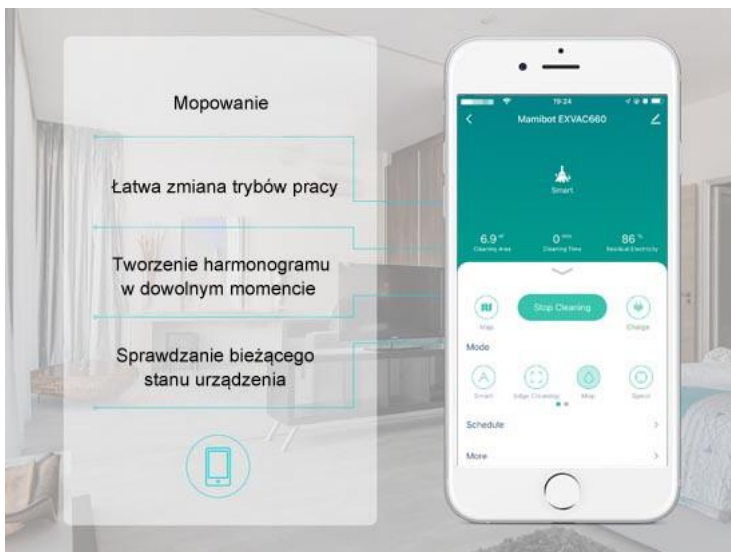

Intelligent chip

It automatically detects the household environment and selects the most effective cleaning plan.

Device control from anywhere thanks to the Mamibot app

The application allows you to check the status of the EXVAC660 T + at any time from anywhere, set automatic cleaning routes, schedule and call the device for automatic charging.

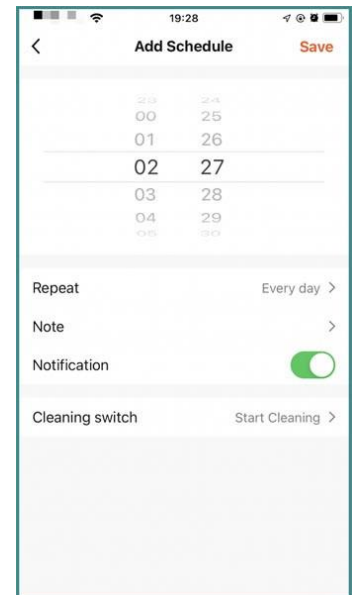

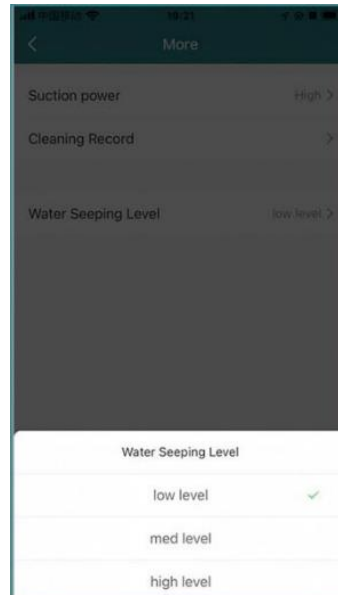

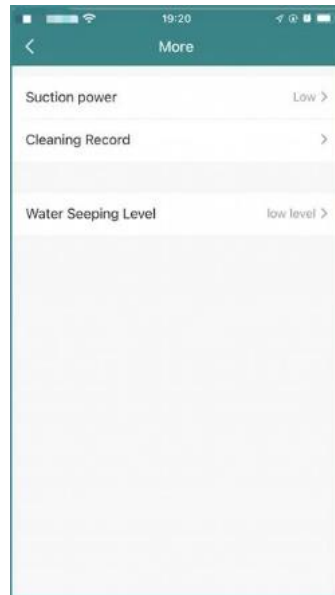

Various cleaning modes

Selection of suction power, water dosing level, cleaning record

3 water dosing levels

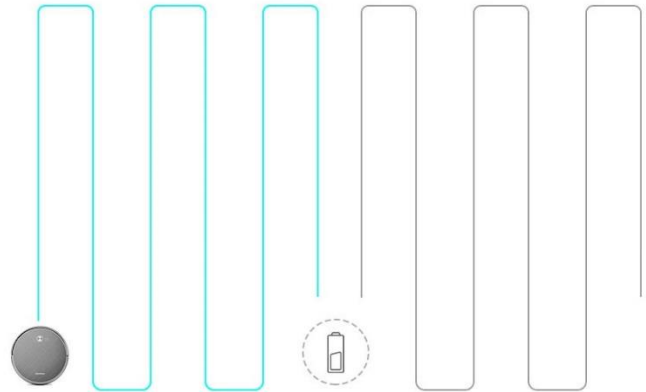

Schedule settings

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

Cleaning resume

The EXVAC660T + PLATINUM will resume cleaning if it is paused due to low battery (it will not resume cleaning if operated manually or with a remote control). It covers over 98% of the cleanable surface.

Suction power 2800 Pa

Thanks to the suction power of 2800 Pa, the Mamibot EXVAC660 T + can easily clean hair, fur, pet food, dust or spilled coffee. It has four levels of vacuuming power: 400 Pa / 800 Pa / 1200 Pa / 2800 Pa. Twin, longer side brushes collect dust from two directions and collect it in the centre port for more efficient sweeping. The larger cloth guarantees a more thorough mopping of the floor.

Brushless motor

The Japanese, modern brushless motor provides more suction power of 2800 Pa, lower noise level of 73 dB, higher rotation speed of 20,000 RPM, longer life and lower energy consumption.

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

The EXVAC660 T + can handle different types of dirt

Noise level 73 dB

The noise level during operation of EXVAC660 T + does not exceed 73 dB, thanks to which the device does not interfere with everyday life.

2550 mAh lithium-ion battery

The 2550 mAh lithium-ion battery provides a maximum operating time of the device up to 100 minutes.

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

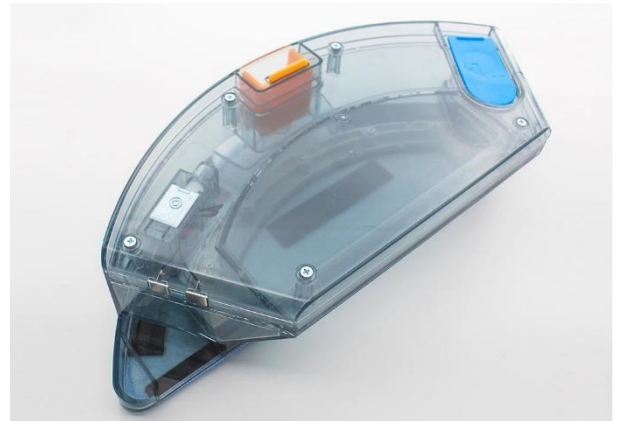

Automatic charging

180 widely spaced sensors (meaning signals can be sent and received in 180 directions) helps the EXVAC660T + PLATINUM to find the charging station precisely in no time.

Large water tank

The capacity of the 350 ml water tank allows you to wash 150 m² of surface. During mopping, the water is dispensed evenly, which prevents the formation of stains. The sealed tank guarantees no leaks while charging the device.

Voice control

The Mamibot EXVAC660 T + cleaning robot works with Google Home and Amazon Alexa.

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

Door thresholds are no problem

The Mamibot EXVAC660 T + easily drives on carpets and overcomes door thresholds up to 1.5 cm high. This means that it can move from one room to another without any problems.

Package contents:

- EXVAC660 T+ robot
- Hepa filter
- Charging dock
- Side brushes
- Dust bin
- Water tank
- Mopping cloth
- Cleaning cloth
- Adapter

TECHNICAL SPECIFICATIONS

Dust bin type	No bag
Product colour	Grey
Shape	Round
Remote Control	Yes
Smartphone remote support	Yes
Works with Amazon Alexa	Yes
Works with z Google Home	Yes
Wet cleaning	Yes
Dust bin capacity (total)	0.6 l
Programming function	Yes

MAMIBOT EXVAC660 T + CLEANING ROBOT (GREY)

HEPA filtering system	Yes
Automatic return of the base station	Yes
Detection of stairs	Yes
Brush type	Main brush and side brushes
Integrated sensors	Height, obstacles
Navigation type	Giro
Noise level	73 dB
Clean water tank capacity	0.35 l
Wet cleaning	Yes
Dust bin capacity (total)	0.6 l
Programming function	Yes
HEPA filtering system	Yes
Automatic return of the base station	Yes
Detection of stairs	Yes
Brush type	Main brush and side brushes
Integrated sensors	Height, obstacles
Navigation type	Giro
Battery capacity	2550 mAh
Operating time	100 min
Charging time	4-6 h
Battery charging	Yes
Battery voltage	14.4 V
Rotation speed (max)	20000 RPM
Suction power	400-2800 Pa

LOGISTICAL PARAMETERS

Quantity in a collective packaging	4 pcs.
Quantity on the palette	32 pcs.
Diameter	33 cm
Product height	75 mm
Gross weight	6.2 kg
Net weight	3 kg
Gross package dimensions	558 x 400 x 165 mm
Net product dimensions	330 x 330 x 75 mm
EAN	6970626161222

Warranty 24 months

Battery guarantee 12 months
