

 Bluetooth®

Bluetooth® loudspeaker

Shockproof and splashproof

This SCHWAIGER® Bluetooth® speaker is ideal for listening to music on the move and outdoors. Thanks to its IP67-rated construction in combination with a robust ABS housing and silicone jacket, it is excellently protected against dust and splash water. Enjoy your

music in stunning sound quality easily and anywhere from your smartphone via Bluetooth® or AUX. A further highlight of this product is the TWS function, which allows identical models to be connected to each other.
