

#24634

Lightweight Gaming Mouse

Play to win with this lightweight gaming mouse, featuring 80 mill Kailh switches, adjustable DPI, and RGB lighting

Key features

- Adjustable DPI (200-10,000) for improved accuracy
- 72 grams lightweight housing for fast mouse response
- Kailh switches for both left and right button – last up to 80 million clicks
- Adjustable RGB lighting to match the vibe of your gaming setup
- 6 programmable buttons for a customised playing experience
- Bottom slider to adjust polling rate for better accuracy

What's in the box

- Gaming mouse

System requirements

- USB port
- Windows 10 or 11
- macOS 10.15, 11 or 12
- Chrome OS

Lightweight for heavy use

A 72g lightweight design primes you for hours of gaming comfort, so you're always ready for another match.

All about accuracy

An adjustable – and highly accurate – optical sensor offers sensitivity from 200-10,000 DPI, readying you for intense matches and fast reactions.

Long-term relationship

Durable Kailh mechanical switches that last up to 80 million clicks, meaning the wired Redex is here to stay.

Light up your life

Feeling blue? No worries – use the included software to adjust the RGB lighting to boost your mood or match your setup's vibe.

Be a control freak

6 programmable buttons enable you to customise your mouse to suit your playstyle or game type – FPS, RTS, whatever you like.
