### Neomounts by Newstar WL95-900BL16 push to pop out video wall mount for 45-70" screens - Black

The Neomounts by Newstar WL95-900BL16 is a push to pop out video wall mount for flat screens up to 70". The mount is weight adjustable and can be installed both in portrait and landscape orientation. In addition, toolless micro adjustment is available on 8 points for the perfect alignment.

The WL95-900BL16 has a depth of 12-32,5 cm and is suitable for screens that meet VESA hole pattern 200x200 to 600x400 mm (landscape) and 400x600 mm (portrait). The video wall mount has a clever tilt service position for easy maintenance access and includes a safety locking block to prevent accidental pop-outs.

The mount features a nifty quick-release system, that allows you to attach the screen in a wink of an eye and secure it in safe and solid manner. The video wall mount is packed pre-assembled, to ensure fast and easy installation and can be locked using a padlock (not included).
