

## eSwapX PRO CONTROLLER

### UNIQUE TECHNOLOGY: T-MOD

- **Interchangeable modules:** configure your gamepad exactly the way you like! Mini-sticks, D-pad, triggers and grips.
- **Hot Swap technology:** swap your modules around, even right in the middle of a game.

## KEY FEATURES

### VERSATILITY AND INNOVATION

- Modular T-MOD technology allows for unlimited renewal and upgrading possibilities.
- Your controller can constantly evolve, thanks to its endless ecosystem of modules (color and custom kits, sold separately).

### [NEW] INDUSTRIAL-GRADE COMPONENTS

- Super-responsive tact switches.
- Responsive, clear clicks that you can really feel.
- **[NEW]** New NXG mini-sticks: rated for 2 million plus activations! **These next-generation components ensure enhanced precision and resistance.**
- ABXY and D-pad buttons rated for 5 million plus activations, for an extended lifespan!
- Practical and safe: braided cable with proprietary connector, avoiding inadvertent disconnections.

### OFFICIAL MICROSOFT XBOX® LICENSED PRODUCT

- Compatible with Xbox One® and Xbox® Series X.
- Compatible with PC (Windows® 10).

### [NEW] ADDITIONAL ERGONOMIC FEATURES

- **[NEW]** 4 extra buttons that can be remapped directly via the controller itself.
- **[NEW]** Locking catches that let you control the travel of the triggers (RT/LT).
- **[NEW]** Button bar that lets you control the volume of your headset (not included) and enable/disable its microphone, directly via the controller itself.
- **[NEW]** Xbox®-style textured, ergonomic triggers.
- Save 2 different gaming profiles in the controller's internal memory: switch between configurations in real time, for instant adaptability!

### [NEW] FREE MULTIFUNCTIONAL PC/XBOX® APP INCLUDED

- Reprogram buttons (and other controls).
- Configure mini-sticks (sensitivity and dead zones).
- Configure triggers (sensitivity and dead zones).
- Adjust vibration levels for the controller's handles and triggers (0–100%).
- Import/export gaming profiles.
- App available for download from the Microsoft/Xbox® Store (accessible directly via the Xbox® console).
