QUANTUM 400

USB over-ear gaming headset with game-chat balance dial

Features and Benefits

Live the game with JBL QuantumSURROUND and DTS

Enjoy the game's most immersive sound experience with personalized surround sound powered by the included JBL QuantumENGINE PC software. JBL QuantumSURROUND puts you at the center of the most engaging experience, allowing you to up your game and triumph over the competition. Also equipped with DTS headphone:X v2.0.

JBL QuantumSOUND Signature gives you a true audio edge

From the tiniest footsteps to the loudest explosion, QuantumSOUND Signature makes every scene epic and every gamer more competitive. Our signature audio delivers the most realistic soundscape for a competitive advantage in any battle.

Play even longer in memory foam comfort

The lightweight headband and memory foam ear cushions were designed for even the longest gaming sessions.

Voice focus directional flip-up boom microphone

JBL Quantum 400 headset lets you rally the troops and opponents with clarity. The flip-up, voice focus directional boom mic comes with auto on/off and mute features.

Game-chat dial for seamless communication

JBL Quantum 400 headset features a Game-chat Balance Dial certified by DISCORD. Also compatible with TeamSpeak and other communication platforms.

Made for your favorite platforms

Created for PC gaming, JBL Quantum 400 headset is also compatible with Xbox™, PlayStation™, Nintendo Switch™, Mobile, Mac, and VR.

User-friendly JBL QuantumENGINE software suite

JBL's unique QuantumENGINE PC software powers the immersive surround sound. Select your preferred surround sound settings and personalize your JBL Quantum 400 gaming headset from a user-friendly dashboard, creating separate profiles and RGB effects, and modifying microphone settings. You can also adjust the equalizer or choose from 6 presets.
