

WMF Kult X Food Processor Edition

The compact all-rounder for cutting, grating, slicing, chopping and stirring

The WMF Kult X Food Processor Edition offers top-class multi-functionality without taking up much space thanks to a comprehensive set of features: 4 stainless steel blades guarantee precision when cutting, grating and slicing e.g. raw potatoes for home-made dumplings or potato cakes. Chips are also easy to make, and egg yolk, cream or butter can also be spread onto them in an instant. The 2 knives also enable you to chop up herbs and onions effortlessly as well as work with light dough. The large preparation container holds 2.0 l and can be filled as quick as a flash thanks to the extra secure opening. The safety closure mechanism and suction feet guarantee everything runs smoothly when in use. The storage box in which the blades and knives are safely stored away is extremely practical. And the casing made from high-quality Cromargan® gives a stylish impression in every kitchen.

Product highlights:

- Casing made of high-quality Cromargan®
- Large 2.0 l preparation container with XXL opening and height of 165 mm for extra safety, good flow guidance and increased volume
- Compact size for minimum space requirement
- 2 speed settings and pulse function
- Multi-functional thanks to range of accessories: coarse and fine stainless steel blades for cutting and grating, e.g. raw potatoes can be grated quickly and comfortably for cooking home-made dumplings and potato cakes, slicing chips, beating egg yolk and cream, stainless steel knife for effortlessly chopping up herbs and onions and kneading blade for light work with dough
- The stainless steel blades are neutral in taste and dishwasher-safe
- Practical and safe storage box for blades and knives
- Safety close mechanism – the device will only work when the container is in place correctly and the lid is closed
- Highly stable thanks to suction feet
- Output: 500 watts
