Part no. **PF2-19-377302**

Ensuring private and business data is secure is more valuable than ever. The ProXtend PF2-19-377302 is a 2-way Monitor Privacy Filter shielding your data at a 30° angle from left and right.

The Privacy Filter can be mounted onto a screen via a double-sided tape or by using frame mount tabs and it features a double sided – glossy and matte – design allowing for a quick and easy swap depending on the user's preference.
