

# Solar Charger 200W QC3.0+PD+DC

Item no.:

## 420-82

EAN:

5705730420825

Sandberg Solar Charger 200W is a highly efficient solar panel that converts sunlight to electricity. Due to its large surface, this panel can produce sufficient electricity for all of your mobile equipment - even laptops, powerbanks and big power stations. The panel is equipped with a USB-A connector, a Quick Charge USB-A connector, a high-performance USB-C connector and a DC 5521 connector. You can place the panel flat on the ground, or you can angle it towards the sunrays with the attached kickstand. Made in solid and weatherproof material. Foldable for easy transportation and storage.
