

## MODERNA ESPRESSO COFFEE MACHINE WITH INTEGRATED COFFEE GRINDER

**Model:** 1318/00

**Code:** 00M131800AR0

**EAN:** 8003705117921

From the combination of sinuous lines and sophisticated design, the Moderna range espresso coffee machine was born.

With its 15 bar of pressure, the filter holder for 1 and 2 cups, removable tray and tank, this coffee machine gives you the pleasure of an intense coffee or a creamy cappuccino, just like at the cafeteria! The integrated coffee grinder makes this machine a precious and functional object, designed for true connoisseurs who appreciate the unmistakable aroma of freshly ground coffee.

Style and functionality make this machine a true work of art to admire and use.
